

Uh-uh

Yeah, I'm sorry in advance, got this money in my pants
I be praying in that body like, now I lay me down, amen
I'm down to pull up, say when, and I don't wanna be friends
I'm thinking you could be the one I keep around
And I'm highest in the room, got Margiela on my body
We should ditch this place, I know LA kinda snotty
Hard not to be cocky when I'm flashy and I'm gaudy
Vacation is my hobby, tell me where you want me

I'll go there
Let's make our escape
Come on, let's go there
Let's ask, "Can we stay?"

Can you take me higher?
To a place where blind man see
Can you take me higher?
To a place with golden streets

Yeah, I'm sorry that I did this, the whole world is on my shit
list
If I could, I'd beat the shit out of myself, maybe I will, amen
I'm down to come through, say when, catch me on Club Penguin
I'm thinking you could be the gamer I could game with
Highest in the room, Christian Dior on my body
You should ditch your friends and meet me in the lobby
Hard not to be cocky when I'm flashy and I'm gaudy
Vacation is my hobby, tell me where you want me

I'll go there
Let's make our escape
Come on, let's go there
Let's ask, "Can we stay?"

Can you take me higher?
To a place where blind man see
Can you take me higher?
To a place with golden streets

So let's go there
Yeah, let's go there
Come on, let's go there
Let's ask can we stay?
