

[Chorus]

Maybe we can talk tomorrow
When I'm not so hungover
I miss you at the worst times
I miss you even though it's over
You cared when it was convenient
You say that you didn't mean it
You rather be alone, you rather be a ghost
And I don't wanna believe it, yeah

[Post-Chorus]

Na, na-na, na-na
I miss you even though that it's over
Na, na-na, na-na
I miss you even though that it's over

[Verse 1]

Yeah, you got me feelin' pathetic
For myself, I just don't get it
I could be empathetic, we sleep in the same bed
Feels like we're on different planets
I gotta protect myself from somethin' I'll just regret
I'm holdin' the knife and runnin' not knowin' where I'm headed

[Pre-Chorus]

Forgive me for what I've done wrong
I wanna say sorry but it's been so long
I'm up all night, but sleepin' in late
I know that you'll be gone when I'm awake
So, oh-oh

[Chorus]

Maybe we can talk tomorrow
When I'm not so hungover
I miss you at the worst times
I miss you even though it's over
You cared when it was convenient
You say that you didn't mean it
You rather be alone, you rather be a ghost
And I don't wanna believe it, yeah

[Post-Chorus]

Na, na-na, na-na
I miss you even though that it's over
Na, na-na, na-na
I miss you even though that it's over

[Verse 2]

You got me feelin' pathetic
For myself, I just don't get it
We feel the same way, don't know how to fuckin' express it
We wanna save each other from somethin' we'll both regret
It's like runnin' with scissors, pretendin' we're gonna learn our lesson
Forget I said it

[Pre-Chorus]

Forgive me for what I've done wrong

I wanna say sorry but it's been so long
I'm up all night, I'm sleepin' in late
I know that you'll be gone when I'm awake
So, oh-oh

[Chorus]
Maybe we can talk tomorrow
When I'm not so hungover
I miss you at the worst times
I miss you even though it's over
You cared when it was convenient
You say that you didn't mean it
You rather be alone, you rather be a ghost
And I don't wanna believe it, so, oh-oh

[Post-Chorus]
Na, na-na, na-na
I miss you even though that it's over
Na, na-na, na-na
I miss you even though that it's over

[Pre-Chorus]
Forgive me for what I've done wrong
I wanna say sorry but it's been so long
I'm up all night, I'm sleepin' in late
I know that you'll be gone when I'm awake
So, oh-oh

[Chorus]
Maybe we can talk tomorrow
When I'm not so hungover
I miss you at the worst times
I miss you even though it's over
You cared when it was convenient
You say that you didn't mean it
You rather be alone, you rather be a ghost
And I don't wanna believe it, so, oh-oh

[Post-Chorus]
Na, na-na, na-na
I miss you even though that it's over
Na, na-na, na-na
I miss you even though that it's over
