

## Indecision

Blackbear

Indecisions, indecisions  
Always wanting something different, I'm  
I'm indifferent, I'm indifferent  
Can't keep up with all these bitches  
I don't know why

I always fall into the same place  
I have become so indifferent  
From the X and O's  
Turn to no clothes  
Just like that  
Way too fast

Can we slow it down?  
Can we slow it down?  
Down
