

# Just Friends

Blackbear

[Chorus]

If you can't stay the night  
Then I'll take you home  
And if you change your mind  
We can be more than friends tonight

[Verse 1: Blackbear]

Okay let's face the facts  
I'm patient but I'm on a chase to wrap  
This conversation up, cause  
All I wanna do is that thing  
But that means we gotta take it back to my place, so let's play  
Pretend that we're more than just friends  
And girl no disrespect but I just wanna take you to the bed  
And show you a few things, a few things, no Timberlake  
What you think  
Hennessy ain't that new to me  
You can see jewelry, ain't that cool to me  
This shit is foolery  
But I don't wanna make an ass out of you and me  
And maybe I can just assume I'mma see some nudity  
If you wanna leave that's cool with me  
Say we're just friends, not true to me  
But I can learn from home if you wanna start schooling me

[Chorus]

[Musical Bridge]

[Verse 2: Nylo]

Timing is everything  
Well we got nothing  
I'll be leaving the driveway  
As you pull in, ohh  
I probably question myself as crazy to take to a love song  
So I guess it's better this way, ohh  
Not another "could've been"  
Not another "wanna be"  
Just another story ends  
Cause you know that we're just --

[Chorus]

[Musical Bridge]

[Outro]

If you can't stay tonight  
Then I'll take you home  
And if you change your mind  
We can be more than friends tonight  
If you can't stay tonight  
Then I'll take you home  
And if you change your mind  
We can be more than friends tonight  
We can be more than friends tonight  
We can be more than friends tonight
