

Oh Lord

Blackbear

Oh Lord
I just call it if I want it
Call it if I need it
And I don't need no reason
Oh Lord
If I want it, I'ma cop it
And I ain't plan on stoppin'
And I ain't plan on stoppin'
I got the plug, I got the plug
He comin' through in a minute
I just call it when I need it
And I know that you see it
And I know that you see it, oh Lord

White on white on white on white
Both my trucks and both my bikes
Ride around in the Range with me
You gon' see, you gon' see, you gon' see
I got the plug, I got the plug
Oh Lord he comin' through in a minute
These dudes caught in their feelings
But I ain't got no feelings
Cause I ain't got no ceilings

Oh Lord
I just call it if I want it
Call it if I need it
And I don't need no reason
Oh Lord
If I want it, I'ma cop it
And I ain't plan on stoppin'
And I ain't plan on stoppin'
I got the plug, I got the plug
He comin' through in a minute
I just call it when I need it
And I know that you see it
And I know that you see it, oh Lord

I got flip phones for the team
So we got bars in Toronto
We smell like straight gasoline
We ride around in that Bronco
I got Grey Goose in my tummy
All these uppers and downers
I put that shit in a blender
I mix that pixy stick powder
Let's get it now
I got the plug, I got the plug
He told me hit him whenever
So I just call it how I see it
And I know that you see it
And I know that you see it

Oh Lord
I just call it if I want it
Call it if I need it
And I don't need no reason

Oh Lord
If I want it, I'ma cop it
And I ain't plan on stoppin'
And I ain't plan on stoppin'
I got the plug, I got the plug
He comin' through in a minute
I just call it when I need it
And I know that you see it
And I know that you see it, oh Lord
