

# Running Forever

Blackbear

Yeah  
I was lost in her arms  
Found myself in a big ole mess  
And I don't know how to fix it  
A woman with curves  
Is still a woman with words  
And to tell you the truth  
I might as well had never had you

I said oh oh  
Oh oh  
I said leave my heart alone  
Keep my lovin on the low  
She's runnin and runnin and runnin  
From my lovin  
Runnin and runnin and runnin  
And I don't know where to go from here

Can't keep runnin forever  
Can't keep runnin forever  
[x2]

I was lost in my mind  
Lookin for another reason why  
I do this to myself  
I made it clear  
A woman with needs  
Does what she need  
So take everything you need from me

I said oh oh  
Oh oh  
I said leave my heart alone  
Keep my lovin on the low  
(Keep my lovin on the low,)  
She's runnin and runnin and runnin  
From my lovin  
Runnin and runnin and runnin  
And I don't know where to go from here

And I don't why she leaves  
She leaves in the night, please  
Tell me where you're goin  
Cuz you're runnin and runnin and runnin  
From my lovin  
Runnin and runnin and runnin  
And I don't know where to go from here

She said oh oh  
Oh oh  
I said leave my heart alone  
Keep my lovin on the low  
She's runnin and runnin and runnin  
From my lovin  
Runnin and runnin and runnin  
And I don't know where to go from here

Oh oh  
Oh oh  
I said leave my heart alone  
Keep my lovin on the low  
She's runnin and runnin and runnin  
From my lovin  
Runnin and runnin and runnin  
And I don't know where to go from here  
Oh oh
