

Just My Imagination (Running Away With Me)

Blackberry Smoke

Look out my window, watch her as she passes by
I say to myself I'm such a lucky guy
To have a girl like her is a dream come true
And of all the girls in New York she loves me true, yeah, I tell ya

It was just my imagination
Running away with me
Yeah, it was just my imagination
Running away with me

Soon we'll be married and raise a family
Two boys for you, what about two girls for me
I tell you I am just a fellow with a one-track mind
Whatever it is I want, baby, I seek and I shall find
I'll tell you

It was just my imagination, once again
Running away with me
It was just my imagination
Running away with me

Every night I hope and pray
Dear Lord, hear my plea
Don't ever let another take her love from me
Or I will surely die
Her love is ecstasy
When her arms enfold me
I hear her tender rhapsody
But in reality, she doesn't even know me

Just my imagination
Running away with me
It was just my imagination
Running away with me
I tell you
It was just my imagination once again
Running away with me
Yeah, it was just my imagination
Running away with me, hey

Run away, run run run
Run away, run away, run away, run away
Run away, run away, run away, run away
Run away, run away

Ah, yeah
