

# Nobody Gives a Damn

Blackberry Smoke

You can make somethin' out of nothin', my friend  
Make yourself a little bit of money to spend  
You can sing your song everybody knows

You can walk in with the skinniest girl  
You can carve your initials all over the world  
Put on your best big rock-n-roll pose

What are you? Some kind of hero, doin' everything that you can?  
You think that everybody's watchin', but nobody gives a damn  
Nobody gives a damn

You can walk a wire and you don't need a mitt  
You're the best damn thing that they haven't seen yet  
Give 'em a chance to fall in love with you

You can sing a tune to a million or two  
Have your name at the top of the list of who's-who

It don't mean nothin' when the rent is due

What are you? Some kind of hero, doin' everything that you can?  
You think that everybody's watchin', but nobody gives a damn  
Nobody gives a damn  
Nobody gives a damn

Nobody cares what you do or say  
They'll forget about you anyway  
Don't you worry, it's a waste of time  
Take your number and get back in line

What are you? Some kind of hero, doin' everything that you can?  
You think that everybody's love you, but nobody gives a damn  
Nobody gives a damn  
Nobody gives a damn  
Nobody gives a damn
