

## Until Eternity

Blackbriar

I loved you once, I loved you twice  
I loved you in my previous lives  
I know your voice, I know your eyes  
You haunt me through my dreams at night  
Oh, my love, we'll meet again  
We always do, in the end  
Our two souls destined to be  
You and I 'til eternity

We live on and on and on  
Death is weak and we are strong  
On and on and on  
Time is weak and we are strong  
Whoa, whoa, whoa

And I see you and you see me  
Your eyes are like a raging sea  
I know it's you, I know it's true  
I gazed into them once in a dream  
Oh, my love, come take my hand  
Like you did in my dreamland  
You feel the immortality  
It's you and I 'til eternity

We live on and on and on  
Death is weak and we are strong  
On and on and on  
Time is weak and we are strong  
Whoa, whoa, whoa  
Whoa, whoa, whoa

I loved you once, I loved you twice  
I loved you in my previous lives  
And when I die, just keep in mind  
I'll love you in another life  
Love you in another life

We live on and on and on  
Death is weak and we are strong  
On and on and on  
Time is weak and we are strong  
Whoa, whoa, whoa  
Whoa, whoa, oh
