

## A Legend Never Dies

Blackfoot

You know we could last forever  
Together 'til the end of time  
An everlasting love just like the stories go  
We'll make history you and I  
A legend never dies

Tonight is the beginning  
Our once upon a time  
Like the stars we'll always light the sky  
Like the heavens you and I  
And a legend never dies  
A legend never dies, na, na, na, na

Some things were meant to live on and on  
That's how a legend survives  
Na, na, na, na, na, na, na  
A legend never dies

Yeah, we'll spread our wings and fly forever  
'Cause a legend knows no time  
And just like the stars we'll always light the sky  
We'll make history you and I  
A legend never dies na na na na

Some things were meant to live on and on  
That's how a legend survives  
We'll live on and on  
Oh, a legend never dies

We'll live on and on  
That's how a legend survives  
Na, na, na, na, na, na, na  
A legend never dies
