

## In for the Kill

Blackfoot

I've been standing on the edge  
A little too long  
Waiting for the door to be opened  
Hanging on the brink biding my time  
Wonderin' if the spell would be broken  
Seen a million words of wisdom lost  
In the wind heard the voices  
Of the desperate and the dreamers  
And I knew that any moment  
They'd be callin' my name  
To see if I was ready for the game

So I'm movin' movin' in the for kill  
Got a date with a man  
Who says he'll watch me fall  
Gotta take this chance  
I'm movin' in for the kill  
This time I'm gonna have it all

The title's in my pocket  
The ideas in my head  
I'm lookin' for a little inspiration  
It isn't just the money  
That gets me outta bed  
I've got to have a little motivation  
I ain't got no brand illusions  
I'm better than the rest  
There's a fire in my heart  
That makes me wanna be the best  
My finger's on the trigger  
Know what I wanna be  
And everything is ready  
As far as I can see

Movin' in for the kill  
Movin' in for the kill  
Ah, I'm movin' in for the kill  
Movin' in for the kill  
Movin' in for the kill  
This time I'm gonna have it all  
I'm movin' in
