

## Whiskey Train

Blackfoot

Well I ain't gonna ride no whiskey train  
Ain't gonna feel no low down pain, no  
Cause I'm-a throwin' my bottle baby, down the drain  
Honey don't wanna feel no low down pain hey yeah

I gotta shake these low down blues  
Tomorrow morning get my walking shoes  
Ahh between the loving her and paying dues  
I gotta shake these low down blues  
Won't buy no ticket on no whiskey train

Well I ain't gonna ride no whiskey train  
Think I'll throw my bottle babe down the drain  
Won't buy no ticket on no hell bound rail
