

There's a brand new sun hangin' in the sky today
It's been there every mornin'
When I pulled back the curtains and opened up the shade
It greeted me without warning
Maybe it's my point of view
But everything has changed since I met you

Now life is sparkeling
Her love is glistening
I'm findin' everything looks a whole lot brighter
Not a day goes by
Without a clear blue sky
And you're the reason why things are a whole lot brighter

Clouds of the past do there best to block the sun
Castin' shadows
But the light of your love makes the darkness turn and run
And I stand in it's glow
It's like nothin' I've ever seen
It's like the sun is following me

Now life is sparkeling
Her love is glistening
I'm findin' everything looks a whole lot brighter
Not a day goes by
Without a clear blue sky
And you're the reason why things are a whole lot brighter

Now life is sparkeling
Her love is glistening
I'm findin' everything looks a whole lot brighter
Not a day goes by
Without a clear blue sky
And you're the reason why things are a whole lot brighter

There's a brand new sun hangin in the sky today
There's a brand new sun hangin in the sky today
There's a brand new sun hangin in the sky today
There's a brand new sun hangin in the sky today
