

Slow Dancing Under The Sheets

Blackjack Billy

I don't do the 2 step honey I don't do no swing
You won't see me dance in line, that just ain't my thing
But if you want to groove with a cowboy like me I'll take ya slowdanc
in
Slowdancin under the sheets

We don't need no DJ you won't need your dancin shoes
I don't need to sexy song to make your body move
Just come a little closer
Let me take the lead
We'll go slowdancin. Slowdancin under the sheets

Yeah we'll twist, spin slide and dip
Hold on to my neck and I'll hold on your hips
Please baby please, shake it up with me
When you see what I can do with these two left feet
You'll go oooooooooo.
Slowdancin under the sheets

We'll cut a rug and jitterbug and bunny hop till dawn
Talkin sweet romancin dirty dancin tango all night long
Slip slide bump and grind turn and repeat
My kind of slowdancin
Slowdancin under the sheets

Yeah we'll twist, spin slide and dip
Hold on to my neck and I'll hold on your hips
Please baby please, shake it up with me
When you see what I can do with these two left feet
You'll go oooooooooo.
Slowdancin under the sheets

Fred Astair ain't got nothin on me
I got some moves you got to see to believe
Don't make me beg baby baby please

Yeah we'll twist, spin slide and dip
Hold on to my neck and I'll hold on your hips

When you see what I can do with these two left feet
