

# Working On You

Blackjack Billy

All day I'm swingin that hammer in the hot sun  
Everyday's playin like a rerun  
Want a day off but I can't afford one  
Got bills to pay, No time to play  
Breaking my back for the man  
Sweat and grit, and calloused hands  
All day dreamin of you  
Girl this is long over due

Tonight I'm working on you  
Tonight I'm diggin in  
Tonight I'm working it over time till I make you shine  
And do it all over again  
Sweet Lord I love  
Getting you all worked up  
Cause honey you got a hard workin man with some strong hands  
A little rough with a soft touch  
You know a man's got to do what a man's got to do  
Tonight I'm working on you.

With me workin round the clock believe me  
Honey I know it ain't easy  
You tell me all the time you need me  
Well hell, I need ya too. Tonight I'll show you  
So put your lovin lips on mine and keep  
Makin up for some lost time  
Make it all about me and you  
Yeah girl this is long overdue

Tonight I'm working on you  
Tonight I'm diggin in  
Tonight I'm working it over time till I make you shine  
And do it all over again  
Sweet Lord I love  
Getting you all worked up  
Cause honey you got a hard workin man with some strong hands  
A little rough with a soft touch  
You know a man's got to do what a man's got to do  
Tonight I'm working on you.

Tonight I'm working on you  
Tonight I'm diggin in  
Tonight I'm working it over time till I make you shine  
And do it all over again  
Sweet Lord I love  
Getting you all worked up  
Cause honey you got a hard workin man with some strong hands  
A little rough with a soft touch  
You know a man's got to do what a man's got to do  
Tonight I'm working on you.
