

Do You Feel

Blacklisted

I hope the pain opens up your eyes
Cause what you can't see you can't feel
It's time to put aside our difference
It's time to heal
You've gotta open up your eyes
And see things clear
(Do you feel?)
Do you feel it?
Do you understand now?
Do you feel it coming down?
Your tears begin falling
Falling just like rain
Can you feel it now?
The pain is here
(It's time, time to heal)
