

Falling XL

Blacklite District

Hey, I don't wanna watch you slip away
I don't wanna watch you go away
I don't wanna know that you're fallin'
Hey, I don't wanna miss you everyday
I don't wanna watch you fade away
I don't wanna know that you're fallin'
I cannot know that you're fallin'
I cannot know that you're fallin'

I don't wanna know that you're not here
Doesn't feel right without you near
I know it'll traumatize me, terrify me, horrify me
I don't wanna lay awake at night
Full of regret, hangin' on too tight
I know it'll traumatize me, terrify me, horrify me

Hey, won't you wait for me?
Hey, won't you stay?

Hey, I don't wanna watch you slip away
I don't wanna watch you go away
I don't wanna know that you're fallin'
Hey, I don't wanna miss you everyday
I don't wanna watch you fade away
I don't wanna know that you're fallin'
I cannot know that you're fallin'
I cannot know that you're fallin'

Hey, won't you wait for me?
Hey, won't you stay?!
Hey, won't you wait for me?
Hey, won't you stay?!

Hey, I don't wanna watch you slip away
I don't wanna watch you go away
I don't wanna know that you're fallin'
Hey, I don't wanna watch you slip away
I don't wanna watch you go away
I don't wanna know that you're fallin'
(I don't wanna know that you're fallin')
(I don't wanna know that you're fallin')
(I don't wanna know that you're fallin')
(I don't wanna know that you're fallin')
(I don't wanna know that you're fallin')
(I don't wanna know that you're fallin')
