

Okay

Blacklite District

I feel so far away
From the good old days
It'll never be the same
Suffering, suffering
Everybody's been suffering

I try to get ahead
Find a way to get ahead
Cause some things never change
Suffering, suffering
Everybody's been suffering

We can count the stars
But we don't even try
We could take that love
And reach into the sky

Everything's gonna be
Okay okay okay yeah
Everything's gonna be
Okay okay okay yeah
Everything's gonna be okay

I wanna find a way
To take my time
But it's moving much too slow
All this time, all this time
It's been such a long time

You've been in my way
There's a lot to say
There's a lot that you don't know
All this time, all this time
It's been such a long time

We can count the stars
But we don't even try
We could take that love
And reach into the sky

Everything's gonna be
Okay okay okay yeah
Everything's gonna be
Okay okay okay yeah
Everything's gonna be okay

Okay okay okay yeah
Okay okay okay yeah

It's been a long time
Long time, long time coming
It's been a long time
Long time, long time coming
It's been a long time
Long time, long time coming
It's been a long time
Long time, long time coming

Okay okay okay yeah
Okay okay okay yeah

Everything's gonna be
Okay okay okay yeah
Everything's gonna be
Okay okay okay yeah
Everything's gonna be okay

Okay okay okay yeah
Okay okay okay yeah
Okay okay okay yeah
Okay okay okay yeah
