

The Struggle Is Real

Blacklite District

I remember the day when I got the call
Remember the day that I lost it all
I remember that day with a tear in my eye
Remember that day like it was only mine
A tragedy tapped on my shoulder and said hello
Yeah, and it took my soul

Like you, nothings forever
Like you, somethings just die
Like you, I am no better
Like you, we wait and see because

Like me, the struggle is real
The struggle is real
The struggle is real
Like me, the struggle is real
The struggle is real
The struggle is real
Oh, Oh, Oh, Oh, Oh
Like me, like me, like me
The struggle is real
The struggle is real
The struggle is real
Like me

Like me, like me, like me

I remember the drive that we had to take
Remember the miles that made my heart shake
I remember the feel of loss in the air
Remember the sight of you everywhere
Insanity killed me and I never let it go
No I never let it go

Like you, nothings forever
Like you, somethings just die
Like you, I am no better
Like you, we wait and see because

Like me, the struggle is real
The struggle is real
The struggle is real
Like me, the struggle is real
The struggle is real
The struggle is real
Oh, Oh, Oh, Oh, Oh
Like me, like me, like me
The struggle is real
The struggle is real
The struggle is real
Like me
Like me, like me, like me

It's time to finally let it go
It's time to finally let it go
Like me, like me

Like me, the struggle is real
The struggle is real
The struggle is real
Like me, the struggle is real
The struggle is real
The struggle is real
Oh, Oh, Oh, Oh, Oh
Like me, like me, like me
The struggle is real
The struggle is real
The struggle is real
Like me
Like me, like me, like me
