

Victim

Blacklite District

When I'm a victim of changes
And there's nothing I can do
I try to forget about it
But I still can't make it through
Always speak the truth, or I'm a victim
Hypnotizing youth, I'm still the victim

Why can't they just stay the same?
Changing day by day
Moving to different places
Now it's all gone away
No-one speak the truth, or I'm a victim
Hypnotizing youth, I'm still the victim

How long has it been for me?
How many times can I lose?
Fading love for all to see
I think it's time for a truce, yeah

When I'm a victim of changes
And there's nothing I can do
I try to forget about it
But I still can't make it through
How long has it been for me?
How many times can I lose?
Fading love for all to see
I think it's time for a truce
No-one speak the truth, or I'm a victim
Hypnotizing youth, I'm still the victim
No-one speak the truth, or I'm a victim
Hypnotizing youth, I'm still the victim
