## **Avalon**

## **Blackmore's Night**

To the days of Avalon Where magic rules as king The moon beneath the castle walls As the nightingale sings...

The golden bird
He gave to me
What happiness he brings
Like a star on a Christmas tree
As the nightingale sings

And so we sat, hand in hand and watched the fireflies And never spoke a single word But lived to do or die We lived to do or die

Back to the days of Avalon Where magic ruled as king The moon beneath the castles walls As the nightingale sings...

We read of tales of treason A soldiers legacy Blood beneth the crimson sky Fighting without reason But the crime of loyalty A tattered flag left to fly...

Back to the days of Avalon Where magic ruled as king The moon beneath the castles walls as the nightingale sings...
