

Christmas Eve

Blackmore's Night

(originally in Db)

C G
Say goodbye to November
C G
She must be on her way
D Em
The cold winds of December
C Am D
Feel like they're here to stay
G C G
Me, I'll just count the snowflakes
C G
As they start to fall
D Em
Getting lost in the beauty
C Am D
The magic of it all

Am G D
And our eyes filled with wonder,
Am C D
As the reindeer take to flight

G C
Its Christmas eve
D G
Bells will ring
Em Am D
Through the town we gather to sing
G C
Christmas eve
D G
Has begun
Em Am D G
Peace and love to everyone

C G
Light the festive candles
C G
They'll chase the shadows away
D Em
Gathering round the yule log
C Am D
With handfuls of holly
G
Winter winds will whisper
C G
Through the shivering pines
D Em
Never have the stars
C Am D
looked brighter than tonight
