BLACKPINK

Majime sō demo o rikō janai no
Atashi ni kakusa reta volume wa 2 baizō (Double up)
Mawari o ki ni sezu tsukisusumu ishi
Black kara Pink kawairashiku savage

I keep it lit like a matchstick
Bish I'm a star but not Patrick
I'm getting cake that's a fat check
All on a roll like a graduate
This smart mouth spit dumb heat
Like Ice T I'm OG
I'm the man like I T
Got more juice than hi-c

Kangaenaoshite
O rikōna furi o suru wake naikara
Kanchigaida wa
Atashi no tame yo kono egao wa

Mada atashi o rikai
Dekinainara test me
Wakatteru yo ne?
Amaku micha dame yo

Oh, wait til' I do what I do
Hit you with that ddu-du ddu-du du
Hit you with that ddu-du ddu-du

I'm getting honey by the hunnids
On my GQ spread like hummus
Bullshit for the birds like hummin'
I'ma say this shit again I'm the man like runnin'
Drop that like you got a hot track so you wanna knock that
Got another banger
Real talk, I'ma let the 0s talk, you can see the billions
Better call a banker
