I give it to them straight, I don't care what people think (Woo!)
If it's black, then it's pink, we are pretty savage (BLACKPINK!)
When we want, we'll steal outright (Uh)
Whatever you do, it's like cutting water with a knife (Uh)
Our hands are full with a fat check
If you're curious, fact check
Expectations higher
Just like fish in the water
I'm a little toxic
You've fallen for me, I'm Foxy

Think twice
I can't act nice like other people
Don't be mistaken
I only smile easily for myself
You may not know well yet
If you want, then test me
You're so predictable

If you wanted something easy
Oh, wait 'til I do what I-

All of your bucket list, I bought it

I do it however I want because I'm a bad girl
Whether you like me or hate me or whatever anyone says
When the bass drop, it's another banger
