Mawari oki ni sezu tsukisusumu ishi
BLACK kara PINK kawairashiku savage

I keep it lit like a matchstick
Bitch, I'm a star, but no Patrick
I'm getting cake, that's a fact, check
Hold on a roll like a grad jet
These smart mouths bring dumb heat
Like ICE-T, I'm OG
I'm demon like I-T
Got more juice than HI-C

Kangaenaoshite
O rikōna furi suru wake naikara
Kanchigaida wa
Watashi no tame kono egao wa

Mada watashi o rikai
Dekinainara test me
Wakatteru yo ne
Amaku micha dame yo

Hit you with that ddu-du ddu-du du

I'm getting money by the hundreds
All my GQ's spread like hummus
Bullshit for the birds, I'm comin'
I'mma say that shit again, I'm the man, I'll run it

Drop that like you got a hot track
So you wanna knock that, got another banger
Real talk, I'ma let the Os talk
You can see the billions, better call a banker
