BLACKPINK IN YOUR AREA!
Yeah, yeah, yeah

After a sweet "hi", there's always a bitter "bye"
After every crazy high, there's a price you have to pay
There's no answer to this test I'll always fall for it yes
I'm a slave to my emotions
Screw this heartless love

Here I come kick in the door
Give me the strongest one
So obvious, that love
Give me more, give me some more
Cling onto the edge of the cliff if you want
With just one word you're like starstruck again
That warm nervous feeling, extreme excitement
Felt like heaven but you might not get in it

Look at me, look at you, who will be in more pain?
You smart like who? You are
If you cry tears of blood from both eyes
So sorry like who? You are
What should I do, I can't stand myself being so weak
While I force myself to cover my eyes
I need to bring an end to this love

Let's kill this love!
Yeah, yeah, yeah, yeah, yeah
Rum, pum, pum, pum, pum, pum, pum
Let's kill this love!
Rum, pum, pum, pum, pum, pum, pum

Feelin' like a sinner

Thank you baby
I owe it all to you
Got me all messed up
His love is my favorite
But you plus me

Lucky me, lucky you
After all, in the end we lie
So what? So what?
If I end up forgetting you
So sorry
I'm not sorry
What should I do? I can't stand myself being so weak
While I force myself to hide my tears
I need to bring an end to this love
