Momma always told me  
Take care around men  
Love wants to see fire

I'm injured  
Mama was always right  
It's getting hotter as I meet with you  
To you, who I'm, scarily attracted to  
Get burned

This trembling love  
My heart is On and on and on  
I want to dedicate all of me to you  
Look at me look at me now  
It is because of you, I get burned  
I can not dispense of you

This love is burning up  
My love is on fire, ooh  
Now burn baby burn  
Burning up  
My love is on fire  
So don't play with me boy  
Burning up

Oh no I can not turn back now  
It is no longer just a bit of fun  
Got me fired up I'm burning  
I don't even want it, can't stop it's urgent  
I ain't never had nobody do it better  
But oh no you're bad, really bad, but...  
BOY I'm LOCO!  
Show 'em out, smoke 'em out, match scratch lighter  
Kiss him, will I diss him I don't know but I miss him  
Flame in my veins this love is like crack  
Can you feel my heart go black?

This trembling love  
My heart is On and on and on  
I want to dedicate all of me to you  
Look at me look at me now  
It is because of you, I get burned  
I can not dispense of you

This love is burning up  
My love is on fire, ooh  
Now burn baby burn  
Burning up  
My love is on fire  
So don't play with me boy  
Burning up

I can no longer hold  
This fire, spreading at tremendous speed  
(Rosé) Hey, don't make it stop  
Burn it to ashes
