Tell me when you ready 'cause I'm ready for love  
(Eh-eh-eh-eh-eh-eh-eh-eh)  
I'm ready for love, I'm ready for love  
(Eh-eh-eh-eh-eh-eh-eh-eh)  
I'm ready for love, I'm ready for love

Ready or not, here I come and I'm running  
Like it's now or never, I never know if you want it  
What if love wasn't what it was supposed to be?  
What if there's no Romeo for me?  
No hope, no roses, no more notes to read  
So I keep my eyes closed to see  
What I need is forever and forever, baby, not sometimes  
When you want it, then you best come find me 'cause I'm ready

La-la-la, la-la-la-la  
La-la-la, la-la-la-la  
La-la-la, la-la-la-la

La-la-la, la-la-la-la

The only thing that fills my head today is Y-O-U  
Can't get you out of my head  
The bottle I drained out all night is blue

Yeah, I don't know how many times you've thrown my heart away  
A train of thought runs nonstop  
Keeping me up all night  
Yeah, only when you're in need  
Yeah, you only call me when you're in need  
Yeah, even though you only call me when you're in need  
I still like you because it's you

There's no need to wait now  
There's no need to be afraid  
Show me the colors of your heart  
I really need you in my world  
Open your eyes, here I am in front of you

I'm ready for love  
Tell me when you ready 'cause I'm already ready (Ready, ready)  
Tell me when you ready 'cause I'm ready for love  
(Eh-eh-eh-eh-eh-eh-eh-eh)  
I'm ready for love, I'm ready for love  
(Eh-eh-eh-eh-eh-eh-eh-eh)  
I'm ready for love, I'm ready for love

Ready or not, here I come and I'm running  
Like it's now or never, I never know if you want it  
What if love wasn't what it was supposed to be?  
What if there's no Romeo for me?  
No hope, no roses, no more notes to read  
So I keep my eyes closed to see  
What I need is forever and forever, baby, not sometimes  
When you want it, then you best come find me 'cause I'm ready

There's no need to wait now  
There's no need to be afraid  
Show me the colors of your heart

I'm ready for love, I'm ready for love  
(Eh-eh-eh-eh-eh-eh-eh-eh)  
I'm ready for love, I'm ready for love

Your spirit and everything about you  
They make me ecstatic, make me smile  
There's nothing bad about it  
When you throw all of yourself for me  
I will protect you

La-la-la, la-la-la-la  
La-la-la, la-la-la-la  
La-la-la, la-la-la-la
