

The Happiest Girl

BLACKPINK

Don't hold my hand
Don't beg me back
Don't say that we'll make it through this
If I'm so beautiful then, why?

The doors we slammed
The plates we smashed
Echo with the sound of madness
I can't remember why we try

My heart only wants you
The moment you say no

But tonight, I'll be the happiest girl in the world
You'll see like it doesn't matter
Tonight, I'll be the happiest girl in the world
You'll see like it never happened

I can stop the tears if I want to
I can stop the tears if I want to
I can stop the tears if I want to

But tonight, I'll be the happiest girl in the world
You'll see like it never happened

Don't make us saints
We're wards of pain
The past and a perfect picture
There's no one else to blame this time

Don't change the truth
We can't undo the high, we chase steal the crash, no
You're not the one, who gets to cry

My heart only wants you
The moment you say no

But tonight, I'll be the happiest girl in the world
You'll see like it doesn't matter
Tonight, I'll be the happiest girl in the world
You'll see like it never happened

I can stop the tears if I want to
I can stop the tears if I want to
I can stop the tears if I want to

But tonight, I'll be the happiest girl in the world
You'll see like it never happened

All it takes is a smooth pop of a bottle top to fix a heart
A broken heart, baby

All it takes is a little rolling paper take us to the start
Go back to the start

But tonight, I'll be the happiest girl in the world
You'll see like it doesn't matter

Tonight, I'll be the happiest girl in the world
You'll see like it never happened

I can stop the tears if I want to
I can stop the tears if I want to
I can stop the tears if I want to

But tonight, I'll be the happiest girl in the world
You'll see like it never happened
