Hey boy

Make' em whistle like  
A missile bomb, bomb  
Every time I show up, blow up uh  
Make' em whistle like  
A missile bomb, bomb  
Every time I show up, blow up uh

You're so beautiful  
I can't forget you  
Your eyes still  
Make my heart flutter, boom, boom

24, 365  
I only wanna be with you  
During the day and at night  
I want you like this, ooh, ooh

Every guy checks me out every day  
They all think they can get me  
I don't want a lot of things  
I want your heart  
Cut out your heart and show me  
Confidently, sometimes chic, chic  
So hot, so hot  
Make me not know what to do  
Softly call out to me  
Like a whistle in my ear

Don't pass me by  
If you can't forget  
Me either, whoa  
My heart for you is fire  
My heart is beating so fast  
You can hear it closer and closer

Whistle  
Uh whistle, whistle, whistle  
(Can you hear that)  
Whistle, whistle, whistle  
Whistle  
Uh whistle, whistle, whistle  
(Can you hear that)  
Whistle, whistle, whistle

Hold up  
Don't say anything  
Just whistle to my heart  
That sound makes

My heart flutter boom, boom  
Thoughts are boring  
Feelings are shh  
Every day all day  
Only stay by my side, zoom, zoom

Uh I'm always stylin'  
I'm chic but in front of you, darlin'  
It's getting hot like a desert island  
The more I get to know you, the more my heart rings  
Stop hesitating, come over to me  
Boy, it's checkmate now  
I win this game (Uh-huh)  
I choose you, I'll hug you harder  
Before someone  
Takes you away (Uh)

Don't pass me by  
If you can't forget  
Me either, whoa  
My heart for you is fire  
My heart is beating so fast  
You can hear it closer and closer

Whistle  
Uh whistle, whistle, whistle  
(Can you hear that)  
Whistle, whistle, whistle  
Whistle  
Uh whistle, whistle, whistle  
(Can you hear that)  
Whistle, whistle, whistle  
This beat got me feelin' like

I hope we won't just  
Pass by like the wind  
No need for many words  
Now just take me  
To your side, ooh

Make' em whistle like  
A missile bomb, bomb  
Every time I show up, blow up uh  
Make' em whistle like  
A missile bomb, bomb  
Every time I show up, blow up uh
