

# I Can't Get You

Blackstreet

It's alright baby

1 - I can't, get you out of my mind  
Your love is, one of a kind  
You've given so much of yourself  
I swear, don't want nobody else

Baby don't you know that I'll do anything for you  
I'll give you my time, give you my heart  
Give you the world if you want me to  
Life hasn't been easy  
Knowing that you love somebody else  
Ain't nothing I can do about it  
All I have to blame is myself, and I can't

Repeat 1

I thought I had you fooled  
With the girls and the things that I was putting down  
But little did I know  
Miss thang was spreading business all over town  
I don't know what she told you  
But I bounced upon the love one time  
I took her to my house, laid her on the couch  
Set it affray, then threw her ass out

So what about the girl in the 6-4  
She didn't mean a damn thing to me baby  
She needed a ride from the jam  
And being the man that I am, I said
