

# Ooh Girl

Blackstreet

Let's talk about us  
I wanna talk about us  
Lets talk about us

Everytime i call a single time  
You didn't pop up in my mind, oooh  
Like one more day  
Where ever i go what ever i do  
I think of you  
Your kisses and the way you hug me  
The look of passion in your eyes  
Every word you say whenever i'm down  
You making me smile baby

Ooh girl i love you so  
Never ever ever gonna let you go  
Once i get my hands on you ooh  
Ooooh girl i love you so  
Never ever ever gonna let you go  
Cause baby i'm so into you

Check this  
Ooh girl when you looking at me girl  
It makes me feel like i'm your world  
And i feel the same  
You are my rainbow after the rains done and gone  
Oh i just wanna make you mine until the end of time  
When clock, it will be you and me darling

Ooh girl i love you body  
Ooh i love our  
And in the bed it's always the best sex we ever had  
Ooh girl you're not demanding  
You never ask for what i give to you  
And i will spend my life strolin' you  
Singing

Ooh girl i love you so  
Never ever ever gonna let you go  
Once i get my hands on you ooh  
Ooooh girl i love you so  
Never ever ever gonna let you go  
Cause baby i'm so into you

Ooh girl  
Everytime i see you girl  
Wanna taste of you lips  
Oh girl i can help myself  
Ooh girl i can't stay away from you girl  
Cause you're so inresistible i lose my self control

Ooh girl i love you so  
Never ever ever gonna let you go  
Once i get my hands on you ooh  
Ooooh girl i love you so  
Never ever ever gonna let you go  
Cause baby i'm so into you

Can't stop loving you baby  
Let's talk about us  
Just you and me
