Wizzy wow, wow, uh, wizzy wow  
Uh, wizzy wizzy wow, uh, wizzy wizzy wizzy wow  
Uh, wizzy wow, wizzy wizzy wizzy wizzy wow

Sleep with the top, let that make you say wow  
Pop in approach, makin' the industry wow  
I can do a baller like 20 seconds like wow

Pick up a trick and the body's like wow  
[Incomprehensible] throwin' the face was like wow  
Went to the crib and her mouth dropped like wow  
Took off her clothes and then there always was trouble

Yo?, this girl was so kinky like wow  
The cranium was crazy, it made me shout wow  
Touchin' her clothes with her hands and meanwhile  
She got me in her carpet and sweatin' like wow

I can't be greedy, that's not correct, wow  
Phat expressin' her to my peeps, that's wow  
Hit up my dawg on a two, he hollered wow  
He called my cell and said,
