Whatcha think you're doin, baby?
Why aren't you coming out, you hear me?
I'll take the handle
Move out of the way kids

Speed up so you can't hear
Any other sounds
The best moment of your life will come
Look carefully

Now twice the speed, no ten times the speed
Your heart will race, however it wants
Twice the volume, no however you want
I'm gonna take you high

This is the highest place you've been in your life
This is the best dream you've ever had
Don't tell me to stop

Lift up your head, who's there?
Now look down, see there?
It's only us
Above my head right now

Shall we go a little higher?
This is the real moment now
Don't worry
Trust yourself in my hands

Now twice the speed, no ten times the speed
Your heart will race, however it wants
Twice the volume, no however you want
I'm gonna take you high
