And I apologize for sayin' your apology's floppin'
The population is flockin', blockin' and jockin'

And I'm suckin' it down like a c-cky concoction

I won't sweat out my edges tryna put out no fires
I don't scratch no whips, I don't slash no tires
Boy, I ain't no snitch, I won't wear no wires
I'm the truth, so how I'm gon' be down with a liar, huh

Burn, burn, baby, burn, ije mot chamgesseo
