

i miss

blackwave.

I miss the times where I drew between the lines
Never needed clues, never searching for no signs
Had the goal, the vision but ain't nobody listen
To a youngin' with a mission, never gave the permission
To be doing what I wanted till I seized it in the morning
Momma don't you think, I should be doing what I wanna
Live like I dream my world a fantasy unfolding
Don't need nobody savin' me whenever that I'm falling
Like an astronaut, float next to sun, like it super hot
Daddy pops, said that I'm a champ and that I'd pop
So I popped, out here calling me the greatest on the rock
Said "I'm not" but I took it and I rocked, it had me hot
Had me good, felt I could take the whole neighborhood with me
Til you cut ties and we move to a new... country, new city, new this, new that
at
Damn I used to hate it but in love with where I'm at

I miss, I miss, I miss
I miss the good days
I miss, I miss, I miss
I miss the good days
Mama told me wash the dishes
Never thought that I would miss it
I miss, I miss, I miss
I miss the good days

How did it all change in this short time
Riding my bike to school ignoring road signs
I miss the days I wasn't worried 'bout my phone dying
Constantly feeling I need to dive for a goal line
I'm running never do I slow down
Tryna spend my days reconnecting some close ties
Tired of using the phrase: 'it's been a long time'
It's day n night like Cudi in '09
I miss the days where my passion wasn't my job yet
Honest to god I'm happy with where my mind's at
Don't worry 'bout how much time's left
I'm just focused on the mile ahead
Where does it lead
Don't wanna know
I do it on feeling
I'm out on my feet
Back on the ropes
Still undefeated
I'm just tryna lift my spirit 'cause I need it
Thinking' bout the days gone past I can't believe it

I miss, I miss, I miss
I miss the good days
I miss, I miss, I miss
I miss the good days
Papa told me I'm a winner
Lately that's how I've been feeling
I miss, I miss, I miss
I miss the good days

I miss, I miss, I miss

I miss the good days
I miss, I miss, I miss
I miss the good days
I miss, I miss, I miss
I miss the good days
I miss, I miss, I miss
I miss the good days
