

6am

Blade Brown

6 o'clock in the morning (Oh, yeah, yeah)
When the money is calling, I wake up (Brr)
Lick a shot from my bredrin (Oh, yeah, yeah)
In the night, I be flexing with my day one
Sippin', sippin', yeah, I been sippin', sippin', yeah
Freaky, freaky, yeah, she be movin' freaky, yeah
Sippin', sippin', yeah, I been sippin', sippin', yeah
Freaky, freaky, yeah, she be movin' freaky, yeah

Oh

I'm in gym wear, in a gold Rollie, that plug swag
My young boy just dropped me a thirty quid in a dust bag
The new Bentley Jeep they just made, swear that's a must have
Money, mula, man, I lust that
Don't talk on phones, I don't trust that
Pass it on, we don't cuff that (Don't cuff that)
6AM, it gets dished out
How this nigga only buying one asking me for a discount?
Side gyal on my other line, talking shit, made a nigga miscount
Night time we bring the whips out
Morning time we bring the bricks out
Like

6 o'clock in the morning (Oh, yeah, yeah)
When the money is calling, I wake up (Brr)
Lick a shot from my bredrin (Oh, yeah, yeah)
In the night, I be flexing with my day one
Sippin', sippin', yeah, I been sippin', sippin', yeah
Freaky, freaky, yeah, she be movin' freaky, yeah

If you don't bang this, then your chick will
Nigga looking like a lick still
Know she fuckin' with D boys
We don't share jewels, we don't split bills
I'm doing plug talk over mixed grills
While these niggas beefin' over six bills
Me and F in the same room, I swear, more time, that's a quick meal
And I'm still full from my last grub
Flatscreen's in my bathtub
Champagne in my bloodstream
I bought fireworks to the last club
Yeah, 80K was my last sub
Big whips, and just parked up
Me and mine on that money mission, so you know we just can't stop, like

6 o'clock in the morning (Oh, yeah, yeah)
When the money is calling, I wake up (Brr)
Lick a shot from my bredrin (Oh, yeah, yeah)
