Bladee

I'm in your area
Area 51
She wanna have some fun
I tell her come along
I go to Rainworld with your girl
But I'm alone
I disappear into the darkness and I'm gone
I'm in your area

Area 51
She wanna have some fun
I tell her come along
I go to Rainworld with your girl
But I'm alone
I disappear into the darkness and I'm gone

Cutting through a reign now I'm flying from my war
Thaiboy I can't take it anymore
Never go poor all this money I ignore
Thaiboy I'm the one to go for
Please don't brake your leg, you won't find me anymore
Please celebrate me, one day I'll be gone
Thaiboy Goon you know, I've been Thaiboy all along
Started at 15 now I'm almost 21
This is what I want
This is all I want
All these broke boy they want me to fall
Young Thaiboy never fall
AvP we always ball
Fuck these hater madmen
I will get it all
Let them haters know
Call us for a show
We turn up round the globe
Fucking up the globe
Me still with the snow
I wonder if it's cold

Catch me at the mall

Smoking in the park
Moving only after dark
