

BAD 4 BUSINESS

Bladee

Everyone's against me
I don't know
I shoot 'til it's empty
I don't know
Have I made it impossible? (I don't know)
If I don't make it back just know
I would never let you go
If I'm, if I'm, I'm not fine
If I'm, if I-
Disaster rose over us
It's bad for us, it's bad for business
Don't go, can't let this go on
You do, you do, you don't
It's bad for us, it's bad for business
Hopelessness
Hopelessness forming like a dark cloud over my tiny world
Every tiny little worry is so large in this small little world
Where nothing seems to work and death is in the sunset

(Let go, let go)

(Cold)
