

In the sewer all alone, that's my home  
Can't pay you anything right now, give you a loan  
Don't know you, you're not my bro, where you from?  
Change my face, I grow my hair, need a comb  
Slowly lose to decay, lost my hope  
Drain Gang and you can't hang with us, need a rope  
They're still talking about my name, they're on coke  
Trashman, I waste my days, in the smoke

I fell off in the night, bring back Thaiboy, I say it twice  
Bring myself up to the light, yeah bitch, you know I'm high  
Blood moon forge a contract when it's signed  
Blood pact I wrote you, baby, with a knife  
Trash Star, I eat the night, I do it twice  
Backstab you out of nowhere, you're surprised  
Backstab you, I don't know why you're surprised  
God damn, you ain't on shit, why you so hyped?  
God damn, I wonder why am I alive  
I give myself up to the Red Light  
I give myself up to the Red Light

I give myself up to the Red Light

In the sewer all alone, that's my home  
Can't pay you anything right now, give you a loan  
Don't know you, you're not my bro, where you from?  
Change my face, I grow my hair, need a comb  
Slowly lose to decay, lost my hope  
Drain Gang and you can't hang with us, need a rope  
They're still talking about my name, they're on coke  
Trashman, I waste my days, in the smoke
