Somebody call the ambulance, man
(Yo Thaiboy, what happened, bro?; Lusi's world, bro)
The track came in alive ([?], no, for real?)
I'm just trying to bring it back in one piece

DOA, (Cold Vision) DOA, yeah
(Yo man you need to call the ambulance)
DOA, DOA (Uh, uh, uh)
DOA, DOA, yeah
DOA, uh
Yeah, DOA

Stuck in the night and I can't seem to get out
I can't
Dark cloud around my head, I can't get my head out
I can't get right
I cannot get right
Can't win, I can't win the fight
Can't win, I can't win in life
Can't win, this game I just die
Freddy Krueger, chase your dreams
Don't give up on it
SG walk up in the club with so much hundreds
Man, this shit won't even fold
D9 trust funded
Ice carats, Bugs Bunny
Shining like a lucky charm
Riding on a lucky star
Coming down exceptional
We the only pros
How could you not know?
Without any flaws
Never take a loss
Please just tell me what you want (Tell me what you want)
Is there any way around it?
Is there any way around it?
The finest on the highest mountain

DOA, yeah
DOA, DOA (Uh, uh, uh, uh, uh, uh, uh, uh)
(Uh, uh, uh, uh, uh, uh)
DOA, DOA, yeah
DOA (Uh, uh, uh, uh, uh, uh, uh, uh)
Yeah, DO—

DOA
Somebody call the ambulance, man
