

IMAGINARY

Bladée

We still hold stripes
D9 crazy life with the pins on me
We dance on ice
It's like Sochi Olympics 2003
I can only, I
Close my eyes, can't do anything
I can only
Bring me back to life
Dreaming in a dream

Dreaming in a dream

Heart on the sleeve
Ocean, oceanside with the coral reef
It's in a dream
Baby, can't you see? can't you see?
Leaves of a tree
Ancient, ancient sites, cross the seven seas
She'll dance on me, under city lights
