

## Into Dust

Bladee

I'm gonna bleed in the club, I got weed in my lungs  
I don't need any love, I can't feel when I'm drunk  
I can't breathe, I can't trust, I cannot get enough  
Watch my dreams getting crushed, turn my dreams into dust

Cold outside and I don't know what to wear  
If you go right now I don't know if I would care  
I don't get scared but I get nightmares  
What's the point of anything if you can't share  
I love cold winds cause it tells me where to go  
I can't look back and I cannot lose control  
Find yourself, find yourself

I'm gonna bleed in the club, I got weed in my lungs  
I don't need any love, I can't feel when I'm drunk  
I can't breathe, I can't trust, I cannot get enough  
Watch my dreams getting crushed, turn my dreams into dust

Lost my speed now I'm slowing down  
I can't believe that I'm lonely now  
100 keys and they owe me now  
I cannot feel anything inside  
I couldn't breathe when you told me why  
I want to sleep I don't want to die  
Admit defeat, give away the crown  
If we don't speak you can't let me down
