

## Into One

Bladee

Can make two into one  
(How could I know)  
Never be enough  
Can make two into one  
(How could I know)  
It will never be enough  
Never be  
Can make two into one  
(How could I know)  
Never be alone  
Can make two into one  
(How could I know)  
Never be alone  
Can make two into one

Never be alone  
(How could I know)  
It will never be enough  
Ooh  
It will never be enough

Can make two into one  
(How could I know)  
Never be alone  
Can make two into one  
(How could I know)  
Never be alone  
Can make two into one  
(How could I know)  
Never be alone  
Can make two into one  
(How could I know)  
Never be alone  
Can make two into one  
Never be alone  
Can make two into one  
Never be alone

Can make two into one  
(How could I know)  
Never be alone
