

MERRY-GO-ROUND

Bladee

Three Star
Go, go, go, go
Go, go, go, go
Go, go

Go around
Merry-go-round
Its all in my head, got imaginary friends
Im stuck in a trance
I can only dance
Castles made of cards and I watch it go down
Merry-go-round
Merry-go-round
Merry-go-round
Merry-go-round
Merry-go-round
Merry-go-round
Merry-go-round
Merry-go-round

Time will stand still
Wish you dance doing ballet
I come in, open up and I fall in
It's like silk, in the wind, flow swaying
In the ring, in perfect union
It's like love, it's just like in a fairytale
Not enough, it's just not true enough
Catch a breath, I can't even breathe, baby
Feels so fresh, just one and only one

Go around
Merry-go-round
Its all in my head, got imaginary friends
Im stuck in a trance
I can only dance
Castles made of cards and I watch it go down
Merry-go-round
Merry-go-round
Merry-go-round
Merry-go-round
Merry-go-round
Merry-go-round
Merry-go-round
Merry-go-round
