Follow all the way

I got all the way
Follow all the way
Follow all the way
Follow all the way
Follow all the way
Window in the way
Mirror in the way
Ego in the way
I got all the way
I'm not in the way
All the way
Follow all the way
Follow all the way
Window in the way
Mirror in the way
Ego in the way
I go all the way
Follow all the way
Follow all the way
Follow all the way
