

Missing Person

Bladee

I'm gone, I'm gone, I'm gone, I'm gone, I'm gone...
I'm gone, I'm gone, I'm gone, I'm gone...
I'm gone, I'm gone, I'm gone, I'm gone, I'm gone, I'm gone...
I'm gone...

Missing person, I'm a missing person
I'm gone, that's for certain
If they love me, I might hurt them
So I stay behind the curtain
Missing person, I'm a missing person
I'm gone, that's for certain
You won't find me, so stop searching
I stay lowkey when I'm lurking

I quit life, wasn't working
The whole world full of serpents
If you cross me then you're cursed man
Cut your face off like a surgeon
Off the grid, gone off detergents
I can't be seen, it's disturbing
I don't go out cause I'm nervous
I won't come back to this world man
You wanna know what love is
You wanna know what it feels like
Wanted to see you in that light
Now I'm too deep in the night
I'm just ash now, I been burning
When it's rain out, then I'm surfing
Know it's late now, but I'm learning
Everything calm on the surface

Missing person, I'm a missing person
I'm gone, that's for certain
If they love me, I might hurt them
So I stay behind the curtain
Missing person, I'm a missing person
I'm gone, that's for certain
You won't find me, so stop searching
I stay lowkey when I'm lurking

I'm gone, I'm gone, I'm gone, I'm gone, I'm gone...
I'm gone, I'm gone, I'm gone, I'm gone...
I'm gone, I'm gone, I'm gone, I'm gone, I'm gone, I'm gone...
I'm gone...
