

## Oh Well

Bladee

Drain crusade on a mission  
If I'm good will I one day be lifted? (Ah)  
Oh damn, almost thought I was different  
Oh well, play the cards that I'm given

Oh well, play the cards that I'm given  
Oh well, play the cards that I'm given  
Oh well, play the cards that I'm given  
Oh, well, oh well, oh well

Uh, uh, draw a hangman  
Uh, uh, you can't hang man  
Uh, uh, it's a saint, yeah  
Play the cards that I'm given  
Cut the past ties  
Yeah, at the top it's lonely  
D9 got a plan  
3 towers but it's in the sand  
Trash star had to make my way  
Trash island, can't get away

Drain crusade on a mission  
If I'm good will I one day be lifted? (Ah)  
Oh damn, almost thought I was different  
Oh well, play the cards that I'm given

Oh well, play the cards that I'm given  
Oh well, play the cards that I'm given  
Oh well, play the cards that I'm given  
Oh, well, oh well, oh well  
Oh well, play the cards that I'm given  
Oh well, play the cards that I'm given  
Oh well, play the cards that I'm given  
Oh well, oh well, oh well

New hopes, new dreams  
There can only be one, it's me (Oh well, play the cards that I'  
m given)  
Oh well, play the cards that I'm given  
Oh well, play the cards that I'm given  
Oh well, play the cards that I'm given  
Oh well, oh well
