

Oxygen

Bladee

Burn down trees like a forest ranger
Getting close to nature
I'm a fallen angel
Keep a lightsaber
Keep your enemies close, I decapitate them
I feel like Iron Man
I got the iron maiden
I tried to understand but it was hopeless
I tried to eat her soul but she was soulless
So cold, so cold
I don't need air
I don't need oxygen
I'm over everything
I don't need air
I don't need oxygen
I'm over everything

So cold, so cold
So cold, so cold
So cold, so cold
So cold, so cold
