

SAD MEAL

Bladee

(Wake up, F1LLTHY)
Hah, hah, hah (Cold Visions)

Feelings that I can't explain (One), in an endless dark terrain
Through a tunnel under rain (Bladee), there's a way that's not
in vain

Through the sink and down the drain, purple hat and purple cane
Doing magic, David Blaine, changing faces, changing name
Through the sadness and the pain, hit the gas, accelerate (Skrr
!)

Get the journalist to sign an NDA about our process
Loss and gain and I have gained a lot of losses, like a hill co
vered in crosses

Tommy Hilfiger the boxers, Lacoste on us, shit don't cost us
#Ad shouts out the sponsors, brand-

new face, shout out my doctor

Fame has turned us into monsters, I went broke from doing conce
rts

Out of ten what is the chances? Can I still wear my Balenci'?

SG standing on Delancey, dirty world, nothing is fancy

Leave you stranded out and canceled, have you asking for an Adv
il

Have you signed up for a bad deal, at McDonald's, get the Sad M
eal

Can't you see I face the challenge?

Zilli shoes, these not New Balance, D&GS don't get saddened

Out of you all, I'm the baddest, I'm addicted to my status

Let me tell you what the deal is, honestly, I have no feelings

Life don't hit so this the remix, everyone know I'm the realest

Every day is just another Monday morning, every day's the same

I wake up with my blinds down, golden light of day slipping awa
y

I wake up wanting to go back to sleep but can't because the rai
n

Heavy rain falling forever on an everlasting flame

Heavy two-headed axe in a dirty duffel bag

Heavy hammers in the right hand can turn castles into sand

In the rain world, money system seeing how to scam the scam

On the stage going crazy, we're the new X Japan

I can't lose, only win, I'm so used to doing bad

Please stop talking like you know me, bro, somebody get your ma
ns

All the shit that I had been through, man, all I could say was
"damn" (Drain Gang)

Course I'm running through the city, I do it because I can

Used to be so dirty, drug gang, I did it to collapse
Used to wanna be so up but now you talk to the hand
Used to wanna be so up but now you talk to the hand
